Outreach  
**Ministry**

November  
2009

*"Go ye into all the world, and preach the gospel to every creature." Mr 16:15*

Global  
Ministry

## Full Gospel Assemblies Welcomes Elwood, Indiana Church

### Solid Rock Full Gospel Ministries

Full Gospel Assemblies welcomes Solid Rock Full Gospel Ministries of Elwood, Indiana. The Rev. Larry Metz pastors Solid Rock. The congregation serves approximately 40 adults and 10 children and meets for worship on Sunday mornings and evenings. The church also offers midweek Bible study and fellowship. Other ministries include prison and community outreach. In addition to leading the congregation, Pastor Larry writes a weekly article for the local newspaper entitled, "Keys To Abundant Life".

From November 2008 to January 2009, the newly formed church began to meet at the local YMCA. In December of 2008, the church approached a company about renting space in a retail establishment that was being remodeled. The negotiations were favorable and the church now rents 1,300 square feet of meeting space, which includes two 8 x 10 classrooms.

With worship services beginning in the new location at the turn of 2009, the congregation was very excited, believing God for great things in the future! Other churches as well as individuals outside of Solid Rock have donated many items to this new ministry including folding chairs, tables, an overhead projector, a copier, carpet, labor for set up and donations for supplies and various needs. The pulpit and altar were built by a member of the congregation. Thank God for all His wonderful provisions!

The vision of Solid Rock Full Gospel Ministries is to minister to both the spiritual and physical needs of those of the Elwood area.

The name, *Solid Rock Full Gospel Ministries*, was chosen to acknowledge Christ as the foundation of the church! A full gospel message is preached and Christ is exalted in all ministry of the church.

Pray today that Solid Rock Full Gospel Ministries may realize God's full plan and purpose. We warmly welcome this new congregation into the church fellowship of Full Gospel Assemblies!

### From the Chairman's Office

#### Giving Thanks

As we enter into the Thanksgiving season across the United States, I am reminded of the words of the Psalmist.... **Lord, Thou art my portion, I will keep Thy words!** How often it is, with the challenges we face each day, we lose sight of the mere fact that the promises and blessings of God are the inheritance of the believer.

I encourage you today to bow before the Lord with a prayer of Thanksgiving for His Word and for His mercy. Today, we give thanks for His commandments and statutes. We give thanks unto God for His righteous judgment, His salvation... His comfort and faithfulness!

In this hour of Thanksgiving, let us pause for reflection before our Lord God Almighty. **Let us rise at midnight** to give thanks, for He is our portion!

Pastor Simeon Strauser

Lancaster, Pennsylvania

*A roof is built . . . !*

**2009 Philippine Building Project Update  
Philippine Bethel Church  
Sto. Nino, Madella, Quirino Province**

In March of this year, Joe, Bill, Alan and Don of Heaven's Gate Fellowship (FL) and Full Gospel Assembly of Parkesburg (PA) traveled to the Philippine village of Sto. Nino to help with the building project of the Philippine Bethel Church. When the American team arrived, they joined many local laborers and pastors for two weeks of construction work. The church building's foundation had already been completed before they arrived and their primary task was to put the walls and columns into place. Left to be completed was the truss and roofing work along with the floor, doors and windows. Local builders and parishioners of the Sto. Nino Philippine Bethel Church under the leadership of Pastora Juliet and Ramon Badong have continued the work. Now, as typhoon season subsides, the roof is in the final stages of completion as shown in the picture above.

Pastora Juliet writes the following update of church development: ". . . God is good all the time. Greetings again to you all. All is going fine. We begin again working in our project here in the presence of our members and, of course, my husband (Pastor Ramon). You can see in the photo how the work progresses even more by the sacrifices of the workers and the prayers that have been answered. Now, we have all the materials needed and we are praying for more help. You can see the second floor and more as we can work the truss in the roofing. God bless you all, Ptr. Juliet Badong."

**Full Gospel Assemblies  
Welcomes New Ministers**

- **Rev. Broderick McNeil** serves as a minister of the gospel and minister of music at Family Life church in Orlando, Florida. He is also active as an evangelist, preaching in other churches on occasion as well as leading worship for local ministries.
- **Rev. Jerry Wade** is currently serving the Lord in the praise and worship and fill-in pulpit ministries with Unity Of Love Praise Fellowship, Washington, DC under pastor Bishop James Bell. Brother Jerry also serves in community outreach and gospel concerts with Peace & Comfort Worldwide Ministries along with helping churches in the USA and abroad with fundraising.
- **Rev. Dayna Fitzgerald** is a Hospice Chaplain for Compassionate Hospice of North Georgia outside of Atlanta. Sister Dayna is the first female Chaplain employed by Compassionate Hospice. Reverend Fitzgerald entered the CPE Chaplaincy Program January 2008, graduated from Full Gospel Bible Institute May 2008, and was ordained to the ministry June 2009.

**Pastor Simeon Strauser Speaks at  
Shiloh Bible Institute's 25<sup>th</sup> Commencement**

Shiloh Bible Institute of Washington, Pennsylvania, held their 25<sup>th</sup> commencement on August 8, 2009. Pastor Simeon Strauser stirred the hearts of the graduates and student body, as he brought forth the message *Blessed Are The Feet That Carry The Gospel*. Shiloh Bible Institute offers a full ministerial study program, congregational fellowship and community ministry. Graduates of SBI are serving the Lord in the areas of missions, pastoral, ministers of music, teachers and church support. The Holy Spirit has worked through this ministry to save, heal, deliver, work miracles, and set people free from bondages. To God be all the glory!
